A fee of ten cents (\$0.10) per ton is due for all tonnage exceeding the 500 tons covered by your annual licensing fee. Reports are due at the end of each January and July. A penalty of 10% applies for reports filed more than 10 days late. You must report tonnage sold even if you owe no additional fee.

You do not have to pay the tonnage fee on feed if:  
it has been paid for by another firm, *or*  
you only produce customer-formula feed, provided  
the fee is paid on the ingredients, *or*  
it is only an ingredient used for the manufacture of a  
commercial feed, whose fee is paid, *or*  
you are only a contract feeder.

Exempt tonnage must still be reported. Please list the  
party responsible, their address, the feed, and total  
tonnage on the back of this form, or on an attachment.
